ECO Alliance

Attn: Project Manager

Dear Glen Knudson:

On behalf of the Town of Carter, I would like to send a special thank you to ECO Alliance for their help, hard work, and dedication in the demolition of our towns old water tower. ECO Alliance came into a difficult situation, as the tower was a sentimental part of our little town. You did an exceptional job as there were many on lookers as the tower was brought down. Your workers had a plan, kept the job site clean, got the job done, cleaned up promptly, and most importantly, got it done safely given the dangers associated with the old tower. As this was the first job ECO Alliance performed for our town, they have put on an impressive performance and I look forward to working with you again. Thank you.

Sincerely,

Carl E. Drum  
Mayor
