Dear Glen,

I am writing today because we wanted to express how pleased we are with the work that was done on our farm. It does not even look like the same place! Y'all made the removal of the large Harvestore silos, the hay barn and the old milking barn look easy. Your work crew was very courteous and friendly and they were very mindful of our livestock when working in the pastures. In a few days our place had the most awesome transformation.

Sincerely,

Bob & Susan Brunson
